Director's Report

by

David Pava

Our Board of Directors met in early January and our first order of business was to determine who would be responsible for the various Board positions in 2011. I was asked to serve a second term as your Director and I would like to thank the Board and our membership for the confidence you have expressed in my leadership. Assisting me are Hal Schuette who is our Assistant Director for 2011, Mark Barchas, Treasurer, Milt Wheeler, Secretary, Bill Young Membership, Bud Juneau, Editor, Steven Austin, Health and Welfare, Fred Hill, Historian, Phil Sherman, Projects, Bob McCoy, Technical Lead, Becky Schuette, Tour Chairperson, and George Beck, who maintains our website. We are fortunate to have such a talented and dedicated group of volunteers to manage our club. We have a wide variety of tours and activities planned for 2011 and we hope you will join us on as many as you can.

This year it is our turn to host the Western Regions Tour and I volunteered to be the tour chairman. Two and a half days of back roads touring from Calistoga, CA are planned May 12 -15 with private winery tastings, a catered picnic lunch, a visit to an exquisite art collection, time for unique small-town shopping, an exquisite closing banquet, plus time to enjoy the spa facilities in Calistoga. Our discount room block is filling fast and is only being held until March 12, so if you plan to attend be sure to sign up soon. The reservation form can be downloaded under the calendar tab from our website - www.norcalpackards.org or contact me for the forms.

I look forward to seeing you down the road,

David Pava

A Word from your Editor

Bud Juneau

I got an email from Steve Austin who is the new *Health & Welfare* chairman. He said to let him know of any members he should contact.

I received the general email from Hal Schuette that Larry Nannini has had open-heart surgery and is doing well.

I, too, had open-heart surgery and am slowly getting back to normal.

Happy Packarding to all.

Technical Advisors

We thank the fellow club members listed below who have offered to try to help solve problems encountered by others when working on their Packards. If you can help with a certain area of expertise, please let Director, David Pava know, so we can add your name to the list. Although they will do their best to help, neither the club nor the advisor can accept responsibility for or guarantee the accuracy of suggestions.

Niles Railroad Tour

January 16, 2011

January 16, 2011 – Sunol-Niles Canyon Railroad Tour & More. On a beautiful Sunday morning a happy group met in Sunol to board the train to Niles. It was cool in the railroad car but some of our seasoned club members brought blankets to keep the chill at bay. Upon our return it was time for brunch, there are three restaurants across from the train depot, something for everyone. After brunch we drove to Niles where we visited the Fremont Silent Film Museum. Niles Avenue is home to many unique shops, and the famous Don's Auto Parts Store. Thanks go to George Beck and Roy Brett who took the pictures, and thanks to the club members who came out to enjoy our first event of the year.

Then on to Jelly Belly.

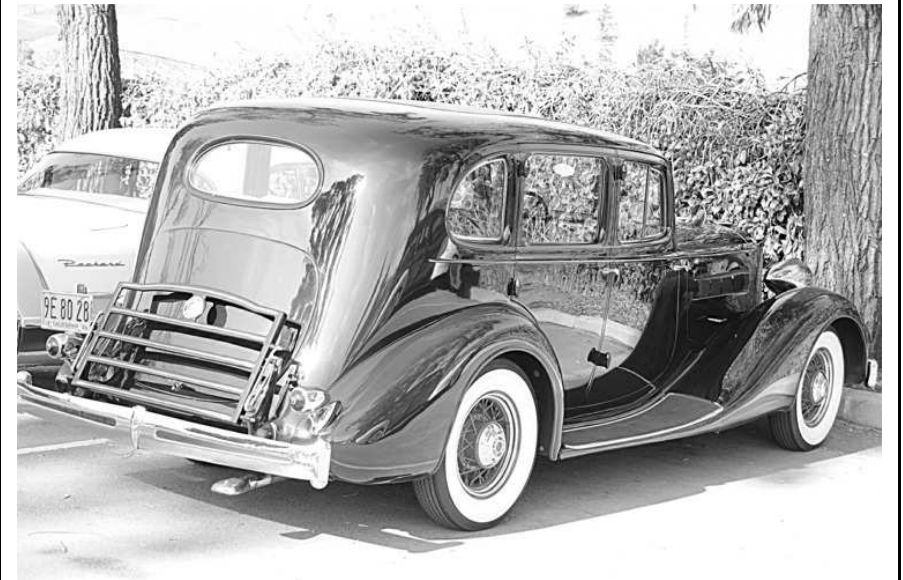

Finally arriving at Jelly Belly, with only a minimum amount of surprises, a group picture was taken, followed by a very interesting tour of this facility. Some of us were only interested in the "Belly Flops". Again, the facility was not in operation, but it was very interesting.

Upon leaving Jelly Belly, George Beck took some pictures of our Packards, and just before we got lost a second time. Fairfield is such a confusing place.

Our final stop was at Carino's in Fairfield, where we sat in our separate room and had ample time for conversation and conviviality.

It turned out to be an all Fifties Packard tour.

This picture was taken leaving Budweiser, and just before we got lost for the first time.

The Budweiser / Jelly Belly Tour

T'was a bright and sunny warm morning in Fairfield when the Nor-Cal Packard Club descended upon the Budweiser Brewery.

The ALL '50s outing included two '56 400s from the Moores and Phil Sherman, one '55 400 from Fred Hill, a '53 Clipper from Warren Lubich, and a '51 200 from Bill Young.

The excellent tour was conducted by Megan, who led our group to the tasting room. The introduction included a two-beer limit. Next was a very complete tour of the facility. Although the facility was not in operation on Saturday, it's interesting to learn how many brews are concocted at this place. The hour tour was followed by a brief stop at the gift shop.
