Membership - Bill Young states that we currently have 129 members. He also said that former members who have not paid their dues will not have their names in new Packard Club Directory.

Projects - Phil Sherman sold \$254.00 worth of Packard Projects this past year. His question was, what new projects do we want to sell? After much discussion, the board would like to have more caps/hats available.

## Where We've Been

### A Day at the Movies

The first Nor-Cal Packards event of 2013 was held at the Blackhawk Automobile Museum on Sunday, January 13<sup>th</sup>. Thirty members and guests braved the “cold” weather to enjoy “Horatio’s Drive – America’s First Road Trip.” The PBS film directed by Ken Burns recounted the adventures, challenges and perseverance of Horatio Nelson Jackson as he drove his Winton “horseless carriage” from San Francisco to New York (being followed by a Packard and an Oldsmobile.)

After a deli sandwich and salad lunch, with Packard candy bars for dessert, a second film “The Bank Dick”

featuring W.C. Fields provided some comic relief. A chase scene involving a Cadillac and a 1937 Packard Twelve convertible sedan gave us a whole new appreciation for the capabilities of these cars.

The good weather allowed a nice showing of Packards on the Plaza in front of the museum. The display included:

1937 1500 Super-8 touring sedan	George and Eddie Beck
1939 1701 1295 Eight coupe	Fred Hill

the parking lot.

The docent met us and we were divided into two groups. Since our last visit to the museum there have been many more aviation items of interest added; so much to see. It is wonderful to have aeronautical memorabilia that spans so many years available to see up close. Of course I have to mention the gift shop; something for everybody. I had no idea there were so many products related to aviation available.

Our thanks to Allen Nelson who took on the responsibility of hosting this delightful Sunday event.

By all accounts all who attended enjoyed a good time and the beautiful weather.

On Sunday, twenty-two NCP club members met at The Fish Market restaurant, San Mateo. It was an impressive sight to see so many nice Packards on display in front of the restaurant. We even had Wayne Parsons show up in a very sporty, red Ferrari with the top down.

We were seated all together and soon our beverage and pre-selected entree was served. After lunch we proceeded to the Hiller Museum, San Carlos. There we were met by members of the Freewheelers club, led by Clint Moore, who is also an NCP member. It was interesting to see the variety of collector cars that they brought added to our Packards in
